Dear Messrs. Cordero and Slycord:

I have been forwarded an email dated April 21, 2026, which you appear to be circulating. The email's subject line reads, **"How NAI Robert Lynn and Olymbec Almost Destroyed Us"**.

As legal counsel to Olymbec, its employees and agents, I am writing to formally demand that you delete this email and cease and desist from any continued publishing, and or circulation, of this false, defamatory, and libelous rhetoric, regarding Olymbec USA, LLC, James Davis, Carmen De Angelis, and Jerri Hadsell.

As I indicated to you in my correspondence of December 19, 2025, there is absolutely no legal basis for the claims you asserted against Olymbec, nor do I find that Olymbec or its agent, James Davis, have acted in any way that - even considering your claims - could ever be viewed as unlawful or in violation of any duty or responsibility. Swipeify had a clear and irrefutable obligation to pay rent each month (on an agreed upon escalating schedule) as laid out in the Lease Agreement. Any claim to the contrary is absurd. As Olymbec's agent, Mr. Davis fully complied with his duties and responsibilities as a commercial leasing agent. And Olymbec's management team reached out on a number of occasions to schedule a time for you to visit the leased premises and retrieve any personal property remaining therein. Your slanderous email, like your letters of November 30, 2025, and December 16, 2025, are full of falsities and mis-claims.

CEASE AND DESIST NOW. Your failure to immediately comply, will result in immediate legal action without further notice.

I strongly advise that you comply.
